NOTE: NT-No transactions.

Shipments of military and naval supplies and equipment for the use of United States armed forces are not included in this report. Shipments to United States Government agencies other than shipments of office furniture, equipment, and supplies for the use of such agencies are included.

A complete discussion of the compilation procedures and coverage for export statistics will be found in the Foreword to the 1944 edition of Foreign Commerce and Navigation of the United States. Copies of the Foreword are obtainable upon request.

Commodity descriptions are abbreviated in this report where space does not permit complete description. For all Territories except Alaska, see Part II of Schedule B, Statistical Classification of Domestic and Foreign Commodities exported from the United States, for complete commodity descriptions and partial list of items included in each. Shipments to Alaska are classified according to Schedule H, Statistical Classification and Code Numbers of Shipments of Merchandise to Alaska from the United States. Information in Schedule B detail is not available for shipments to Alaska.

The omission of a Schedule B or Schedule H commodity classification from this report indicates no transactions.
